FROM THE DIRECTOR'S DESK

Our fall session has started! Thank you to all the families and students for making the transition very smooth. The Children's Center appreciates your continued support of our program.

There have been a few staffing changes since summer. We have moved Rhonda to the opener at Main, Erin is in the Kangaroo Club at St. John's team teaching with Marcia, Amanda is in the Rainbow Room, Katie F. has moved to St. John's to open, Mariah is the head teacher in the Blue Sky Room, Kristine is now in the Teddy Bear Room at St. John's, Jessica is the assistant in the Sunshine Room and Michelle is back in the Moonbeam room assisting.

We will again have some exciting fall activities. The fire trucks will come

and visit, we will have pictures taken, and we will have our very own Pumpkin Patch. Check out this newsletter along with our website for dates and times.

We will again have a fall cleaning day. A date has not been set but be looking for that information to be posted.

Thank you to all the families who brought school supplies with them this fall. This will really help keep our supply costs down. Please let me know your comments about the addition of this program.

Until next time,
