PARKING LOT INFORMATION

Did you know?

- Did you know that our parking lot is **ONE WAY**? Please make sure you enter on the west side of our property and exit using the north driveway (closest to the swimming pool). Our parking lot isn't wide enough for 2-way traffic so please use the proper entrance and exit.
- The parking stalls on the sides of our parking lot, from the **EMPLOYEE PARKING ONLY** signs to the ends of our parking lot are for our staff. We ask that you use the parent parking between the 2 signs before you park in the employee sections of our parking lot.

Thank you for following these guidelines.

Parent Handbook Reminder: The complete Parent Handbook for The Children's Center is available on our website. Check it out!

It gives parents the tools and information to find the best quality child care and early education for their child.
