Parent Aware's Star Ratings improve, support and celebrate the strengths of child care and early education programs. It gives parents the tools and information to find the best quality child care and early education for their child. Parent aware is also a great place to check out community resources that may be available to you and your family. So check it out at www.parentaware.org.

PARKING LOT INFORMATION

Did you know?

Did you know that our parking lot is ONE WAY? Please make sure you enter on the west side of our property and exit using the north driveway (closest to the swimming pool). Our parking lot is not wide enough for 2-way traffic so please use the proper entrance and exit.

The parking stalls on the sides of our parking lot, from the EMPLOYEE PARKING ONLY signs to the ends of our parking lot are for our staff. We ask that you use the parent parking between the 2 signs before you park in the employee sections of our parking lot.

Thank you for following these guidelines.
